

# Bonus Assignment

## Rules:

- Each student submits the solution individually
- This assignment is not mandatory, you can choose to skip it at any time
- A report describing all the stages you managed to finish, including commands, screenshots, etc. needs to be submitted to get points (include screenshot of final step of every stage)
- If you obtain at least 13 points from the BONUS and at least 36 points in total, you can choose not to attend the practical exam.
- The exam and bonus assignment are exclusive, which means that only the highest score from both will be added to the points earned during the semester.
- For submitting the report, use your university email @fel.cvut.cz or @fit.cvut.cz
- DO NOT SHARE YOUR TOKEN WITH ANYONE (for your own protection). You will use it for identification, decryption and encryption.
